It's Christmas Time

Sleigh bells and snowflakes and cold frosty air,
 Secrets and presents are stashed everywhere,
 Starry-eyed children and lots of good cheer;
 It's Christmas time, it's Christmas time.

Travel and planning and journeying far,
 Airplane and train rides and going by car,
 Visiting loved ones wherever they are;
 It's Christmas time, it's Christmas time.

**Only once a year, glad it's finally here,
 Wishing that it could stay Christmas all the time.
 Wouldn't that be fine, feeling like this every day?**

Time spent with family and fun things to do,
 Laughter and friendship and happiness too,
 Gift-wrapped with love as we send it to you
 This Christmas time, this Christmas time.

**Only once a year, glad it's finally here,
 Wishing that it could stay Christmas all the time.
 Wouldn't that be fine, feeling like this every day?
 (Every day!)**

Peace and goodwill and kind thoughts everywhere,
 People so loving and willing to share,
 These things we wish for you now and all year;
 This Christmas time, this Christmas time.

It's Winter Time

(alternate lyrics for tune: It's Christmas Time)

Sleigh bells and snowflakes and cold frosty air,
Houses with icicle diamonds to wear,
Starry-eyed children and lots of good cheer;
It's winter time, it's winter time.

Travel and planning and journeying far,
Airplane and train rides and going by car,
Visiting loved ones wherever they are;
It's winter time, it's winter time.

**Only once a year, glad it's finally here,
Wishing that it could stay winter all the time.
Wouldn't that be fine, feeling like this every day?**

Time spent with family and fun things to do,
Laughter and friendship and happiness too,
Winter is fun when we spend it with you;
It's winter time, it's winter time.

**Only once a year, glad it's finally here,
Wishing that it could stay winter all the time.
Wouldn't that be fine, feeling like this every day?
(Every day!)**

Sleigh bells and snowflakes and cold frosty air,
Houses with icicle diamonds to wear,
Starry-eyed children and lots of good cheer;
It's winter time, it's winter time.
