Phone Me

Hello operator, I've been trying to make a call.
I've been trying for an hour, with no success at all.
I can't seem to get an answer, all I get is a machine,
and I have left a hundred messages today.

Chorus:

**I am tired of the voice that says,
"I'm sorry I'm not home."
Then I leave my name and number
but I wait until the tone.
I would like to talk in person,
I am done with the machine.
I just have to talk to someone
who just wants to talk to me!**

Hello operator, I've been calling on the phone.
I don't want to leave a message and there ain't nobody home.
There are people I should talk to, there are things I need to say,
and I have left two hundred messages today.

Instrumental verse

Hello operator, could you be the referee?
As I play phone tag with someone who don't want to talk to me.
If it's only me who's playin' then I want to quit this game,
and I have left three hundred messages today.

Chorus

Hello operator, I'm no longer on the phone.
It don't matter that the person cannot be reached at home,
'cause my phone is disconnected, it's no longer on the wall.
No more messages will come from me today,
but I have left three hundred messages today.
I have left three hundred messages today.
