Someone Like Me

One small person, can a child like me
 make a difference in the world I see?
 I have many questions: who and where and why?
 What can one child do, dare I even try?

**If you go with me we will help each other.
 We will journey side by side giving strength to all.
 Working together, trusting one another,
 we will make our lives a song.
 Let the music carry on.**

I am just one person, how can someone just like me
 make a bit of difference in the troubled world I see?
 I have many questions: who and where and why?
 What can one person do, dare I even try?

**If you go with me, we will help each other.
 We will journey side by side, giving strength to all.
 Working together, trusting one another,
 we will make our lives a song.
 Let the music carry on.**

One by one, people just like me
 make a difference in the world I see.
 Answering the questions: who and where and why?
 Giving hope to others, so they dare to try. Dare to try.

**If you go with me we will help each other.
 We will journey side by side giving strength to all.
 Working together, trusting one another,
 we will make our lives a song.
 Let the music carry on.**

Maybe what the world needs is
 someone
 like me.
