Star Above

Star above, shine down your light on me.
 Star of love, you speak to all who see.
 Come share with me the light,
 feel the hope in this dark night.
 Star above, shine down your light on me.

* Christmas star way up yonder,
 Christmas star way up yonder,
 Christmas star way up yonder,
 All around the world gonna shine, shine.
 All around the world gonna shine, shine.*

Star above, like you I want to be,
 shining bright for all the world to see.
 Sharing with all my might,
 hope and love will be my light.
 Star above, like you I want to be.

Star above, shine down your light on me.
 Star of love, you speak to all who see.
 Come share with me the light,
 feel the hope in this dark night.
 Star above, shine down your light on me.
