# Dust Bunny Rag

When the house is dusty as Kansas  
 and you know somebody's coming to visit,  
 there's no time to waste, not a minute,  
 you'd better get the dust rag and get ready to clean.  
 Blowing all the particles gently will temporarily move those dust balls,  
 but when all the dust has settled you will agree,  
 it's time to do the dust bunny rag.

**Here little bunny, it's time you came clean,  
 Stop that cavorting where you can be seen.  
 Please all you bunnies, I'm so short on time.  
 There's no waxy build up and I promise you'll shine.**

Wait, I saw a scurrying critter,  
 he just ran under that chair in the corner.  
 Getting on your hands and your knees will just confirm  
 you should have started dusting last week.  
 Putting scatter rugs in the hallway  
 will only cover up two or three million.  
 Everybody knows how bunnies can multiply,  
 it's time to do the dust bunny rag.

**Here little bunny, it's time you came clean.  
 Stop that cavorting where you can be seen.  
 Please all you bunnies, I'm so short on time.  
 There's no waxy build up and I promise you'll shine.**

Maybe you could get really famous  
 and make appointments for viewings on Sundays,  
 and invite your friends to come over.  
 Visitation hours are from two until five.  
 But as we all know, it is common  
 to have those dust bunnies in your parlour.  
 Everybody has them so why don't we agree?  
 Get accustomed to those bunnies under your feet.  
 Take a dancing lesson and get hip to the beat,  
 and learn to do the dust bunny, learn to do the dust bunny,  
 learn to do the dust bunny rag.
